

REMARKS

Applicants thank the Patent Office for the careful attention accorded this Application and respectfully requests reconsideration in view of the Amendment above and remarks set forth below.

In response to the Office Action mailed August 8, 2004, Applicants have amended Claims 28-30, 32, 35, 36, 38, 39 and 44 in order to avoid any basis for rejection under 35 U.S.C. 112.

Applicants also submit Sixty Three (63) sheets of Formal Drawings in the present Application.

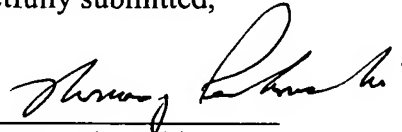

Applicants also submit a Terminal Disclaimer to overcome any rejection under the judicially-created doctrine of obviousness-type double patenting in view of Application No. 10/342,433.

In view therefore, of the Amendment and Remarks set forth above, the present invention defined by Claims 28-44 is firmly believed to be neither anticipated by, nor rendered obvious in view of the prior art of record, and that the present application is now in condition for allowance.

Favorable action is earnestly solicited.

The Commissioner is hereby authorized to any fee deficiencies to Deposit Account No. 16-1340.

Respectfully submitted,

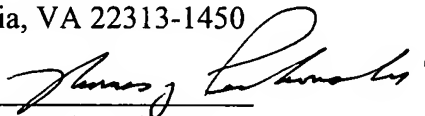

Thomas J. Perkowski, Esq.
Attorney for Applicants
